HERBERT J. L. BODWELL, SECRETARY.

By vote at the annual meeting of the Company, January 6, 1902, the term for which policies shall run was changed from six years to four. This affects only policies issued after the above date.

By vote at the annual meeting of the Company held January 7, 1901, policy holders wishing to remain away longer than thirty days may keep the insurance on their property good, by applying to the secretary for a permit to leave their premises unoccupied for such time as they may specify, paying for the same five cents per month for every one hundred dollars for which they are insured.

The directors are to meet at the town hall on the first Monday of April, July and October.

SCHOOL REPORT.

We have supported eleven schools for the year. They have been under faithful instructors, and the school work, in the main, has been satisfactory. In one or two schools better discipline would have given better results.

We have had twenty-four weeks of schooling. The school year has been divided into two terms of ten and fourteen weeks each; ten for the spring and summer, and fourteen for the fall and winter.

In our teaching force there has been but few changes. Myrtie A. Hill taught at Calef Hill; Mabel L. A. Goodell, at the Square; Grace E. Leavitt, at Hunkins, the first term, and E. Blanche Hersey, the second; Alice W. Leavitt, at Meadow; Nettie B. Woodman, at the Bay; Ivy May Chesley, at Morrison, first term, Grace E. Leavitt, the second; Mary N. Redding, at Gaza; Sarah P. Bailey, at the Chapel; Emma A. Lane, at New State; Lucy G. Annable, at Osgood, first term, and Stella Thomas, the second; Heber M. Adams, at North Sanbornton.

Under the new school law providing High School privileges, pupils of this town, fall term, attended school as follows: at Laconia High School, 1; New Hampton Literary Institution, 5; Colby Academy, New London, 2; New Hampshire Conference Seminary, Tilton, 3; Kimball Union Academy, Meriden, 1.

Text-books in certain branches have been exchanged, the old being behind time and badly worn. The American Word Book, Natural Geography,—Elementary and Advanced,—books up-to-date and recommended by some of the best educators of the day, have been adopted and introduced. The True Citizen, a book giving instruction on the moral characteristics and virtues of good citizenship, has been placed upon teachers' desks for the purpose of drill exercises on that subject.

For important facts respecting schools, consult the statistical table.

The old district names and numbers are retained for convenience of reference.

The Roll of Honor invites attention.
